

THE ROTMAN ANNUAL FUND

ROTMAN: A GLOBAL FORCE IN BUSINESS EDUCATION

Rotman is Canada's leading business school, at the forefront of management education, developing and inspiring the next generation of business leaders and entrepreneurs.

The Rotman Annual Fund supports vital initiatives including scholarships, student experiential programming, and the Dean's Discretionary Fund. Scholarships enable the School to attract the world's best and brightest students and allow them to take advantage of experiential programming beyond the classroom. Even before graduating, students involved in Global Consulting Projects and the Onboard Fellowship Program are changing the business landscape. They are tackling real-world cases, working on solutions to the world's most pressing social and economic challenges – from youth unemployment in the developing world to community engagement in non-profits. The Dean's Discretionary Fund supports the highest priority needs of the School, as determined by the dean on an annual basis.

SCHOLARSHIPS, ONBOARD FELLOWSHIPS & GLOBAL CONSULTING PROJECTS

SCHOLARSHIPS

The Rotman School provides over \$5 million in financial aid through a broad range of scholarships and award programs each year. In addition to recognizing outstanding academic achievements, these programs help expand access to a Rotman education and ensure we continue to attract the best and brightest students from diverse backgrounds. By supporting student scholarships, our alumni donors are investing in the next generation of leadership, ensuring exceptional talent continues to flourish at Rotman.

ONBOARD FELLOWSHIP PROGRAM

The Rotman Onboard Fellowship Program places talented upper-year MBA students on non-profit boards and charities for six to eight months to work on real-world projects of strategic importance. Past partner organizations include the Centre for Addiction and Mental Health, SickKids Foundation, and The National Ballet of Canada.

GLOBAL CONSULTING PROJECTS

Global Consulting Projects enable full-time MBA students to earn a course credit while applying what they learn in the classroom to assist clients around the world. Recently, 31 students travelled to global destinations, including China, Myanmar, Nigeria and Tanzania, to help solve complex challenges faced by local communities. These projects ranged from setting up micro-financing systems to improving entrepreneurial opportunities for at-risk communities.

"The Rotman Onboard Fellowship provided me the unique opportunity to apply classroom learnings to the benefit of a charitable organization in my community. The relationships I developed and the insights I gained through the experience were undoubtedly among the highlights of my Rotman experience."

ANNUAL GIVING

Designed to meet Rotman's immediate needs and provide support for our students, alumni and faculty.

Annual gifts of \$250 or more will be recognized on Rotman's **donor wall** and in our **Investors' Report** in print and online.

When you make a gift of \$1,000 or more, you become part of the **Dean's Society**, an exclusive category of The Rotman Annual Fund with unique membership privileges.

Gifts of \$5,000 or more entitle donors to **name a seat in Desautels Hall**, a state-of-the-art facility designed for lectures, classes and special events. Seats can be named as a lasting legacy in support of business education, or as a tribute to family, friends or colleagues.

Please note that you can allocate your gift to a specific initiative, or to the Dean's Discretionary Fund which supports the highest priority needs of the School.

Thank you for your continued support of the Rotman School of Management.
